All meetings are at 7:00 in Chemistry A304.

At our next meeting on September 17, Dr. Thibodeau, Assistant Dean of Admissions of UConn Dental School will be coming to meet with the society and discuss dental schools, the application process and the DAT. Please come prepared with questions!

We will be collecting dues at the next two meetings. The dues are \$10 per semester and the money will be used for t-shirts, transportation to events and any materials needed by the society. If you would like to be a voting member of the club you must pay your dues during one of the next two meetings.

Those interested in DAT study groups or academic tutoring should contact Mike ([mikhail.tsisis@uconn.edu](mailto:mikhail.tsisis@uconn.edu)), Will ([william.wong@uconn.edu](mailto:william.wong@uconn.edu)) or Sajal ([sajal.swaroop@uconn.edu](mailto:sajal.swaroop@uconn.edu)). There are not many members planning on taking the DAT over the next few months, but the boys have generally offered their tutoring services for any who need it. Please contact them directly. They would be happy to help you and are a great resource!
