

## **PDS Minutes 3/13/07**

### **Community Service**

- There is talk of bringing service events to the UConn campus itself, and would simply require you to sign up. Check your emails for more information.

### **2007-2008 Executive Board Elections**

- Elections for next years officers will take place either at the April 10<sup>th</sup> or April 25<sup>th</sup> meeting. Please speak to one of the officers or email the society if you are interested in running.

### **DAT Overview**

- A group of PDS members will be attending a DAT miniprep session with Dr. Thibodeau at the UConn Health Center on Saturday, March 17<sup>th</sup>.
- The DAT consists of 4 basic sections: Perceptual Ability (PAT), Reading Comprehension, Quantitative Reasoning, and the Sciences (Biology, General Chemistry, Organic Chemistry)
- CrackDATPAT is a software which offers PAT practice with full-length practice tests and the ability to look at images in 3D. The company has agreed to give PDS a discount if enough members are interested in purchasing the software. Visit [www.crackdat.com](http://www.crackdat.com) for more information or email the society.

### **Yearbook Picture**

- The PDS will have a photo in the yearbook this year! A member of the yearbook staff came to the meeting and took a picture for the yearbook.

### **Tools from the Carving Competition**

- If you have one of the carving tools which Dr. Tanaka handed out for the carving competition PLEASE return them as soon as possible.

### **Relay for Life: April 13<sup>th</sup>**

- The Predental Society has formed a team and will take part in this year's Relay for Life. If you have signed up, please make sure you pick your team packet from Viviane ([viviane.trinh@uconn.edu](mailto:viviane.trinh@uconn.edu)).

### **Misc. Notes**

- There are plans to give a hygiene talk to students at the Willimantic after school tutoring program and a local elementary school on a Friday afternoon.
- An end of the year get together is being planned.

\*Next Meeting: 3/28/07 at 7pm\*

Please arrive on time, we are having a guest speaker: Dr. Peter Nichols  
(Periodontist)
